## Question 21: How Taking Online Classes is Beneficial?

Answer: a) Lower Total Costing:

- Training & Placement Fee very Low.
- No Accommodation Costing to Relocate in Other Town
- No Transporting Cost for Daily Classes.

b) More interaction and greater ability to concentrate:

- Students in traditional classrooms may not get the personalized attention although class sizes are small. In Online Live Session because of Low Strength Every Trainee Get Full Attention to Clear doubts and confusion. This increases the chances of a student performing well due to the time their Instructors give them. This also enhances their problem-solving and communication skills, as well as knowing how to defend their arguments to superiors if needed.

c) Improve your technical skills:

- In Online Session Trainee Do access LAB remotely as well on Cloud. This help to Improve Your Skill set and Overall performance.
